

## DJ JAVA DJ & Producer

### BIOGRAPHY\_E 11/2007

Born and bred in Ibiza, Java started his professional career as a dj in 1996 at the infamous Pacha Ibiza alongside Dj Pippi. That very same year, he also started his residency at the super club Space ,where he still holds his residency today.

During this time as resident dj at Pacha Ibiza, he also became part of the Made In Italy tours around Europe.

With his deep house, electro and minimal style, Java has slowly built up a huge fan base, especially through the summer playing at Space.

In 2001 he received the Dj Award for "Best Ibiza Dj".

In 2002, Java left his residency at Pacha due to more demand for gigs around the world, playing alongside some of clubland's finest dj's.

Since 2006, Java has also been resident for one of Ibiza's most successful club nights , "Home of La Troya", with dj Oliver and Javi Muñoz.

Java is also a well know producer and is signed as an artist to Vendetta Records (Spain) where he now also works as A&R for the label.

He has also collaborated with other productions for Milk&Sugar Records (Germany).
